Belmullet has lots to offer

The Talbot Hotel's unique West of Ireland location makes it the ideal base for golf, fishing, boating, walking, cycling, sea angling trips and water sports. You can plan your

trip around Belmullet taking in all sorts of places of interest and activities - from heritage and culture, to food and drink, to folklore and music! Belmullet sits on a peninsula nestled

between the bays of Broadhaven and Blacksod. It's an area that offers unspoilt beauty and glorious beaches and is the ideal place for that 'get away from it all' holiday.

Top class facilities in every stylish bedroom of the Talbot Hotel

The Talbot Hotel oozes luxury and style out of every designer bedroom, each with its own special charm including an iPod dock, complimentary Wi Fi and, oh joy, a Nespresso machine as well as a mini bar stocked with tempting

tees. Each room has a laptop friendly safe, individually controlled air conditioning, professional hairdryer, bath robes, slippers and spa toiletries. The Talbot Suites have double

deluxe rain showers, fluffy bath robes, oversized fluffy towels, Jacuzzi baths and their own fireplaces, just enough to leave you feeling tickled pink!
